A VENUE THAT INSPIRES

A truly unique building, industrial but with a modern feel and steeped in Manchester's cultural history, Aviva Studios will leave guests inspired, having shared the stage with some of the world's greatest creators.

Set in the heart of Manchester's new and vibrant neighbourhood of St John's, and with excellent transport links, Aviva Studios is the perfect spot to gather and celebrate achievements.

Work with our in-house event, technical and production teams to bring your vision to life, and craft a truly bespoke event. Whether you're after a sit-down meal, a relaxed food festival, or something altogether different, we can make it happen.

And when you choose to host at Aviva Studios, you directly support Factory International's mission to widen engagement with the arts and develop the next generation of creative talent.

“YOU CAN REALISE AN AMBITION OR VISION HERE AND NOW IN THIS PLACE... IT'S A TWO-WAY STREET BETWEEN MANCHESTER AND THE REST OF THE WORLD.”
